

Why J. Mid Perry Gave Up His Run

Interesting Incident Told by Popular Engineer Who Tested Plant Juice.

It was the state of his health that caused J. Mid Perry, one of the best known engineers on the Rock Island system in Texas, to give up his regular run and take a switch engine. Mr. Perry lives at Fort Worth, Texas, R. F. No. 2, box 1. He said:

"I had to give up my regular run. I could not stand the strain due to my weak kidneys and to stomach trouble. Both had run me down until I was in bad shape. I had been very dependent when I started taking Plant Juice, which has been such a God-send to so many of the railroad boys here. It has done more for me than I ever thought possible. Had I known of Plant Juice three years ago, I would not have given up my main line run. It has built me up, stopped my stomach and kidney troubles and I feel fine. I think Plant Juice does even more than is claimed for it."

For deranged stomach and kidneys there is nothing in the world equal to Plant Juice. It is taken into the circulation and dissolves uric acid, which escapes from diseased kidneys and entirely removes it. It cleans the blood, cleanses the liver and puts new life and energy into the user. It will do you more good than anything you have ever taken. Call at Kelly & Ford's drug store, and get a bottle and try it and if you are not benefited your money will be refunded.

NEW FOOTBRIDGE AT MORENCI COMPLETED

Morenci, Ariz., Aug. 1.—The new footbridge on the side of the Morenci Southern trestle connecting the smelter with the new smelter office is completed and ready for use.

The former method of walking across the trestle.

The troop officers, Capt. Jay, Lieut. Hart, Sergeant Bessie and Westerners have returned from the officer's school which they attended at Fort Russell. They have been away 30 days. Corporal Randall was taken ill with typhoid fever three days after arriving at Fort Russell and is now in the hospital at that place. He is reported to be doing nicely and will be able to return late in the month.

Mr. and Mrs. George Hester have returned from a visit to Grand Junction, Colo., and other points, and report an enjoyable time while away.

Mr. and Mrs. Hastings will spend two weeks camping on Eagle Creek.

Morenci has had more rain than its share of rain this past week. The Morenci Southern has had trouble with wash-out and the mails were very irregular for a few days, but it is again running on schedule.

T. H. Donahue, chief clerk for the Detroit Copper Company, has been taking effect today and will take a similar position with the Inspiration Copper Co. at Miami.

The Woodmen of the World will have their monthly smoker Friday night. The Woodmen are making much of these smokers and they are proving a great success.

No. 5 furnace, of the D. C. smelter is being dismantled in order to make room for needed improvements.

Moving picture shows at the rink have been revived.

Rudolph G. P. D. has gone to Berlin, Germany, on his vacation. Upon his return he will be located at Douglas, conducting experimental work on a copper leaching plant for the Copper Queen Mining Co.

HOW GIRLS MAY AVOID PERIODIC PAINS

The Experience of Two Girls Here Related For The Benefit of Others.

Rochester, N. Y.—"I have a daughter 13 years old who has always been very healthy until recently when she complained of dizziness and cramps every month, so bad that I would have to keep her home from school and put her to bed to get relief."

"After giving her only two bottles of Lydia E. Pinkham's Vegetable Compound she is now enjoying the best of health. I cannot praise your Compound too highly. I want every good mother to read what your medicine has done for my child."—Mrs. RICHARD N. DUNHAM, 311 Exchange St., Rochester, N. Y.

Stoutsville, Ohio.—"I suffered from headaches, backache and was very irregular. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, and before I had taken the whole of two bottles I found relief. I am only sixteen years old, but I have better health than for two or three years."

I cannot express my thanks for what Lydia E. Pinkham's Vegetable Compound has done for me. I had taken other medicines but did not find relief."—Miss CORA B. FOSNAUGH, Stoutsville, Ohio, R.F.D., No. 1.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished for their daughters have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.

Women's Organizations

"Seeing Nature" was the topic of Miss Alice Henderson's talk before the members of the Art department of the Woman's club at its regular meeting Wednesday morning in the Brazos Plaza. Miss Henderson particularly emphasized the importance of reflected lights, illustrating with a diagram, showing the reflected angles. She also talked on the reflections of color in light and shade—on objects of different tones. Mrs. Alice P. Thompson talked on light and shade in nature and on poster art, which is absolutely flat and devoid of either light or shade. Illustrating the talk, posters of Andrew Beardsley and William Bradley were exhibited, showing the unique rhythmic flow of line and balance. At the meeting last Wednesday Miss Henderson talked on linear perspective and Mrs. Thompson on atmospheric perspective.

Miss Lucille Daniels was hostess for the Beta Beta club Wednesday afternoon at her home 1105 Nevada street. Music, conversation, and fancy work occupied the guests until late in the afternoon when an ice course was served by the hostess, assisted by her mother, Mrs. R. L. Daniels. The club members present were: Misses Hattie Loretz, Miss Frances Mayfield, Mrs. E. F. Rankin Jr. and Mrs. Harry Vaughan. The guests were: Miss Clyde Russell Reeves, of Fort Worth; Miss Frances Mayfield, Mrs. Will McKenna and Mrs. A. M. Phillips. Mrs. Rankin Jr. will entertain the club next week.
